

# Los tiempos verbales activos en inglés

Aquí tienes los tiempos activos en inglés, en positivo, negativo y pregunta... Más sobre los tiempos (pasado, presente y futuro), los aspectos (simple, continuo, perfecto y perfecto continuo), y la voz (activo y pasivo) en el ebook de los tiempos verbales... ¡Muy pronto!

En estas tablas no se dan todas las personas. Afirmativo y negativo están en primera persona singular, y las preguntas en segunda persona singular. Eso es para dejar todo en dos páginas. Más explicación en el libro *La Guía de los Tiempos Verbales*.

## Los tiempos verbales pasivos en inglés

Tiempos pasivos hay menos: hay cuatro que no aparecen aquí y es porque no los he visto nunca. Pero aún así, 8 pasivos no está nada mal... También habrás notado que no hay mucho contexto aquí. He usado los verbos **work** y **do** porque son muy flexibles y funcionan en todos los tiempos.
